WARRANTY CERTIFICATE

DURASID® ELEGANCE

For the products in the product range of **DURASID® ELEGANCE with the colours 91, Cream (RAL 9001) ; 92, Sand (RAL 1015) and 93, Grey (RAL 7035)** we can guarantee, based on the available information from our suppliers, that the product will not degrade excessive visually under normal use⁽¹⁾. if extraordinary wear occurs in these products within the specified warranty period and under the conditions below, Plastivan will replace the damaged product or refund it, taking into account a depreciation in relation to the already elapsed time and warranty period. Costs for replacement and removal, labour or other costs (e.g. transportation) are not covered by this warranty. Any defect must be passed to Plastivan no later than 2 months after detection.

THIS WARRANTY IS VALID FOR A PERIOD OF 10 YEAR AFTER INSTALLATION

This warranty is valid, taking into account the following conditions:

- Not exposed to temperatures > 40°C
- Installation in conformity with the installation guide, published by Plastivan.
- Damage by use⁽¹⁾ and vandalism are not covered by this warranty.
- Damage by poor storage⁽²⁾ is not covered by this warranty.
- Allow inspections by Plastivan if any abnormality occurs.
- Installation in the EU, Russia, Norway, Moldova, Belarus, with the exception of areas where the UV radiation is higher than 120.000Lys/year (e.g. Southern Europe).
